Welcome to The First Tee of Hampton Roads' Military Voucher Program funded by the Edward T. Bedford Foundation. Continuing in 2017, the military voucher program is back! Through a generous donation made to our chapter on behalf of The Edward T. Bedford Foundation, we are able to offer a $50 voucher to military families who are currently active duty, reservists or retired. All military will count towards this program. Please download and complete the voucher for each child participating in either a class or camp at any of our six locations and return it to the office in order to receive the $50 off. Also, please submit a copy of your current military ID, along with the voucher. The voucher can be used repeatedly for each child throughout the year, as long as the funding remains available. Once the allotted funds are depleted, the program will end until it is hopefully renewed in 2018.

We are honored to have received this grant and award it back to you…our military families…so that your children can experience The First Tee! They can learn the game of golf, the Nine Core Values, Nine Healthy Habits and Life Skills to aid in their success both on and off the course!

The First Tee of Hampton Roads'
2017 Military Voucher Program
Funded by The Edward T. Bedford Foundation

_____
Military Parent Name/Guardian Name

Branch of Service: _____

_____ _____
Child's Name Age

By affixing my signature, I affirm that one parent/guardian of the above named child is a member of the United States Armed Forces.

_____
Parent/Guardian Signature

_____
Date

Note: The voucher expires 11/30/17 or until the funding allotted for this program is depleted. The voucher is good for $50 per child, to be used toward a class or specialty camp only. Voucher is only valid at The First Tee of Hampton Roads and its program locations.

The First Tee is making an impact in our Community…

- We teach Nine Core Values™, the backbone of our curriculum. Our goal is to have participants learn them, practice them and live them both on and off the course.
- We teach Nine Healthy Habits™ to emphasize the importance of healthy eating, proper nutrition & tackle childhood obesity.
- We offer Character Education Golf classes at 6 golf program locations. In 2016, we served more than 1,300 kids.
- We offer Spring Break & weekly Summer Camps…they are the ultimate golf experience where kids learn golf, life skills, have fun through games and make new friends. In 2016, we had 800+ kids attend camp.
- In 2016, we continued the STEM Program. Science-Technology-Engineering-Math, where kids learned the science behind the game.
- Through community outreach, we positively impacted over 29,000 children across the community; Homeschool programs at a YMCA, after school program at Boys & Girls Club or at military bases and through our National School Programs in 51 elementary schools…we are bringing The First Tee to those who may not have the opportunity and introducing life skills and golf so every child has the chance to play.
